# SNOW ICE

Snow ice is a cold and creamy Taiwanese dessert, it is basically a cross between two popular frozen novelties - ice cream and snow cones. This fun treat begins very similarly to an ice cream base that is then delicately shaven to create soft ribbons of flavored ice, which is then topped with your favorite toppings, such as tapioca pearls, fruits, bubbles or jellies.

**SNOW ICE COMES WITH CHOICE OF 2 TOPPINGS**

**VANILLA  
CHOCOLATE**

**STRAWBERRY  
MANGO  
ORANGE**

PUPPY SNOW ICE COMES WITH HOMEMADE TREAT
